'Episode Nº'

'Season Nº'

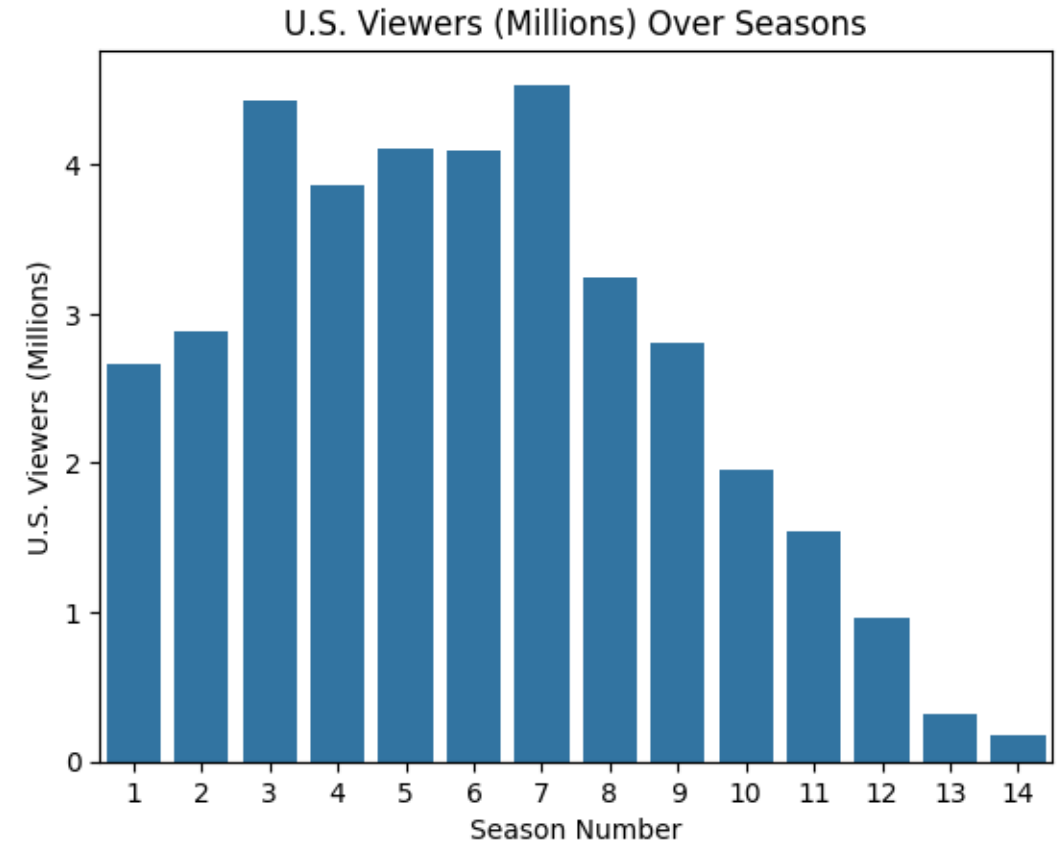

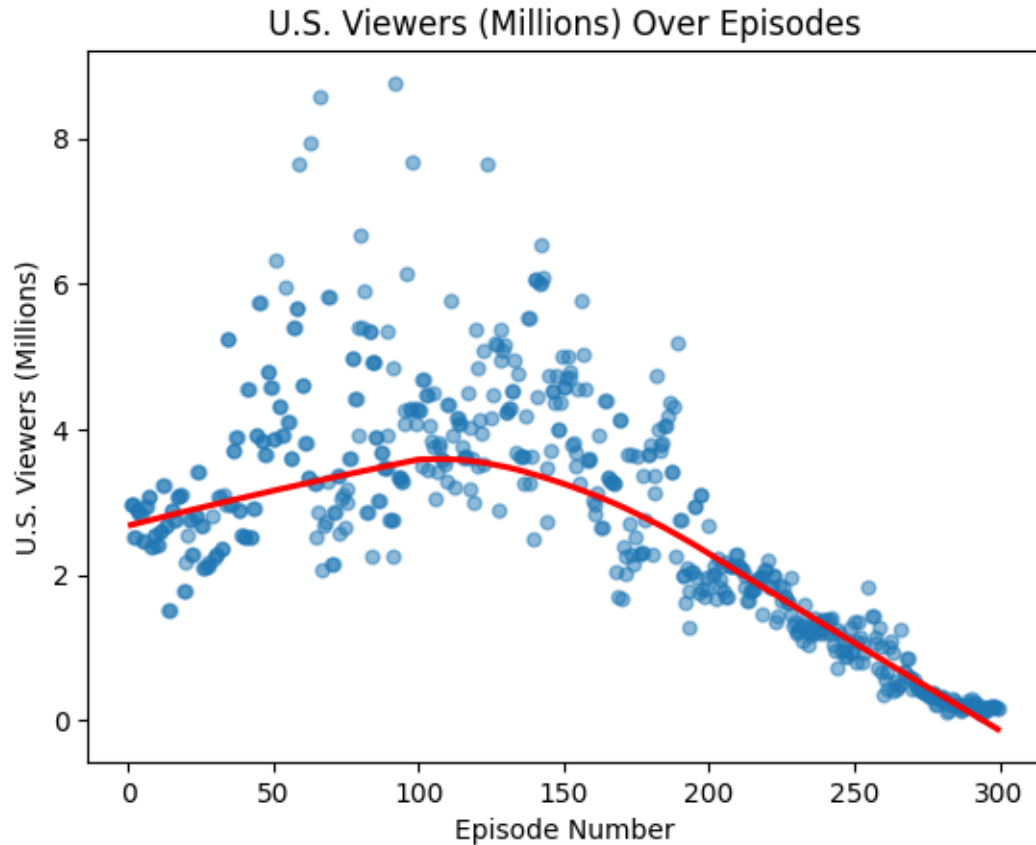

Research Question

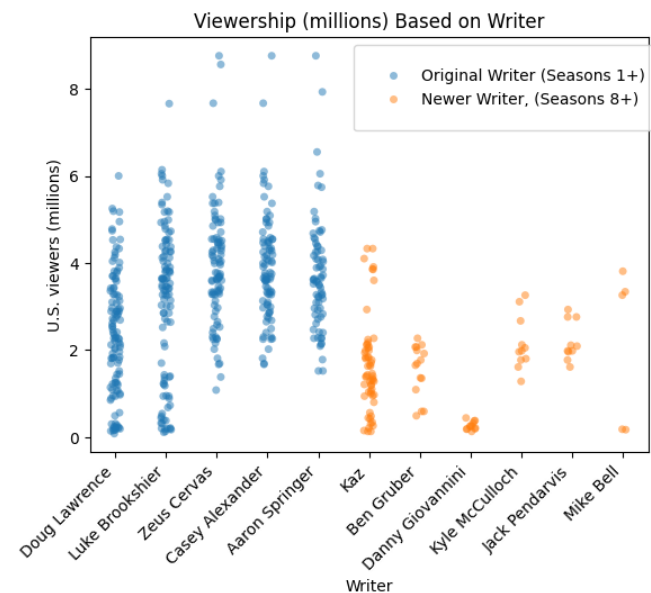

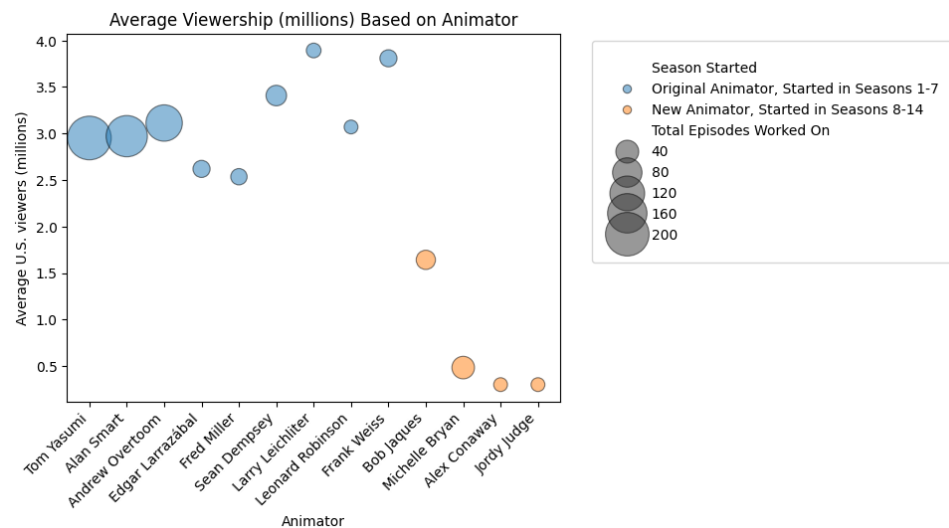

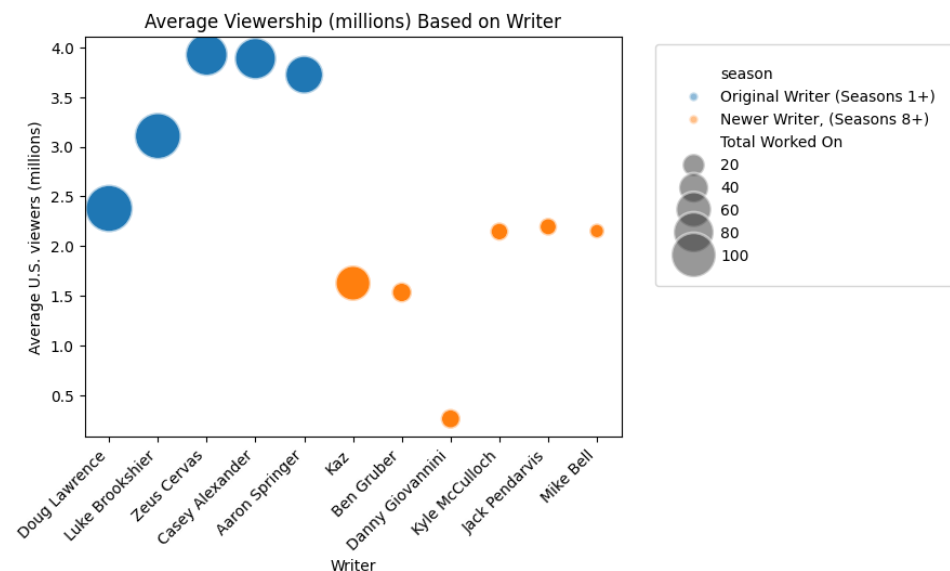

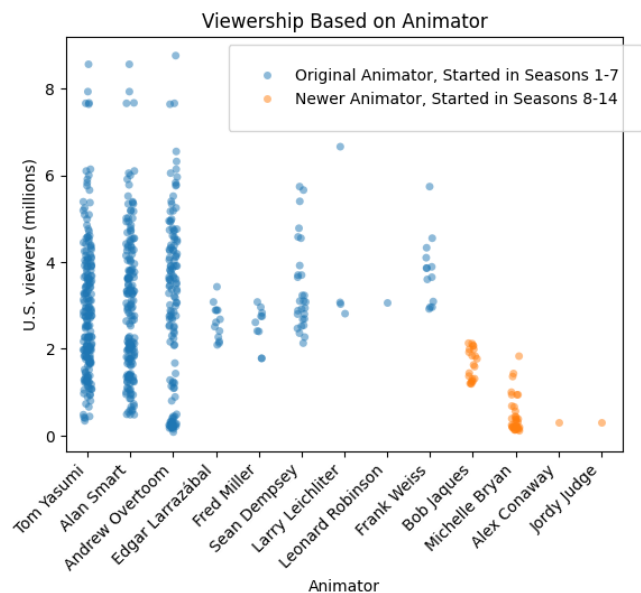

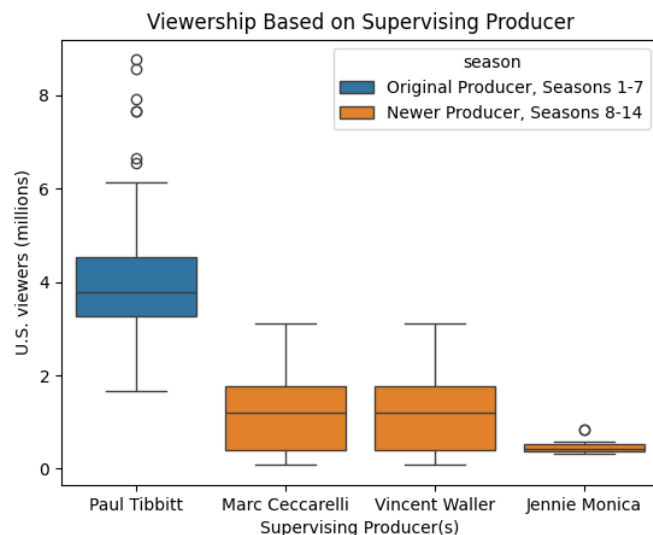

What factors in this dataset have an impact on the success of the episode, in terms of viewership?

- **Characters included?**
- **Animators/writers?**
- **Chronological series order?**

SpongeBob Viewership Over Time

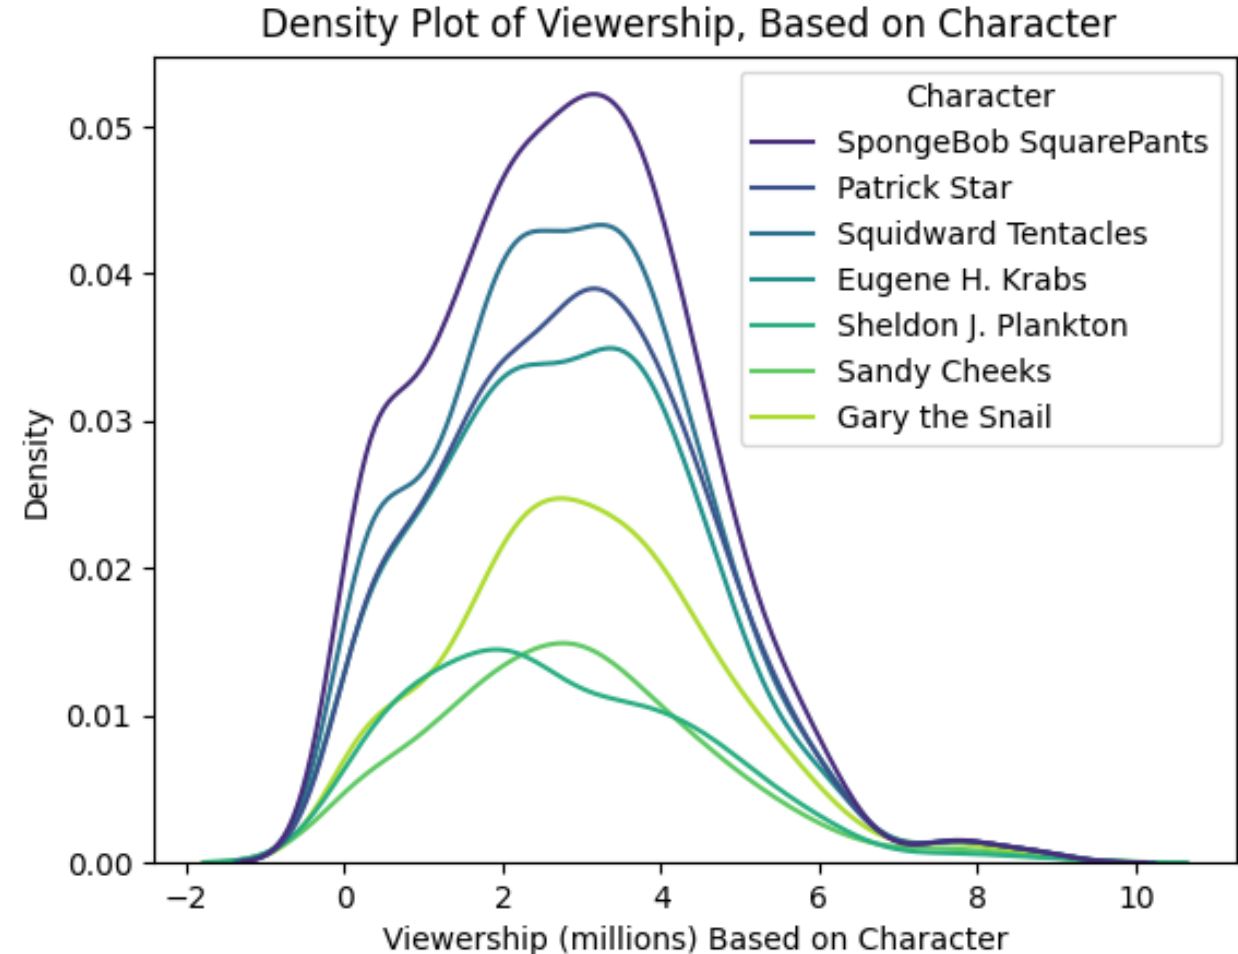

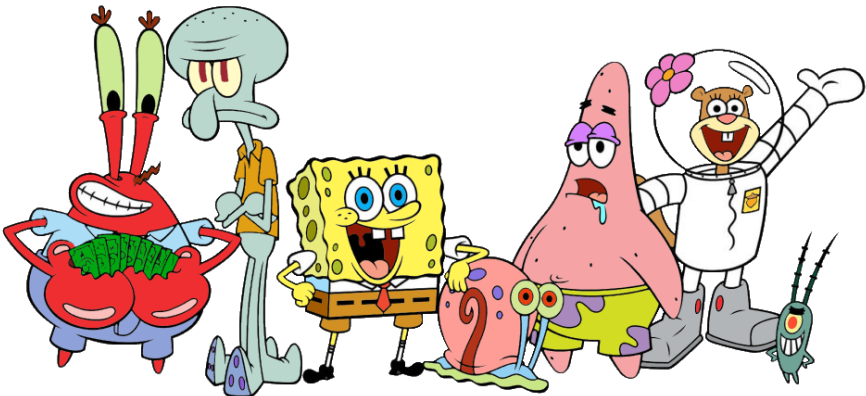

The impact of the Creative Minds Behind SpongeBob

What Else Drives This Change?

- ✓ 'Animation'
- ✓ 'Writer(s)'
- ✓ 'Supervising Producer(s)'
- ✗ 'characters'

What About our Research Question?

What factors in this dataset have an impact on the success of the episode, in terms of viewership?

- **Of our variables of interest, only episode/season, animator, writer, and supervising director appear to have an impact on the viewership of an episode upon its airing.**
- **Correlation \neq causation! The significance of these variables could be due to any number of things, and does not guarantee a relationship!**

Any Questions?
